**STUDENT INFORMATION**

**Diocesan policy requires that we have a copy of each student’s baptismal certificate.**

If your child was baptized at Annunciation we need the date of baptism so that we can verify the information. If your child was baptized, or received sacraments at **another parish**, please **fax, mail or send copy** of the certificate to the Religious Education office. You can obtain a copy of the certificate by calling the church where your child was baptized and asking them to send it to our parish office. **Fax: 630-851-3294. If you submitted your child’s baptismal certificate to the Religious Education office in the past, we have it on file, no need to resubmit the certificate.** We will request a copy if needed.

If your child was baptized in a faith tradition other than Roman Catholic, please indicate that in the student information below.

Please be sure to fill out **completely** the information requested for **each** child. It is not necessary to put last name for each child if it is the same for each. All other information is **pertinent**. Thank you.
